Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Long Beach Police Department Body Camera Project in fiscal year 2023.

The entity to receive funding for this project is City of Long Beach located at 115 Bolstad Ave W. Long Beach, WA 98631.

Funding for body cameras for the Long Beach Police Department will help keep citizens and officers safe. These devices help keep all parties accountable, provide documentation for public records requests and help protect police officers and citizens against false claims of misconduct or abuse. Body cameras have already been implemented at the request of both police officers and communities across the U.S. and have shown measurable benefits to public safety and accountability.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jaime Herrera Beutler
Member of Congress
